SEPTEMBER 2020

Galloping Gourmet Ride
Sponsored by Hope Botanicals LLC &
Bellingham Animal Hospital

We had 43 riders joining us at Lake Dennison to enjoy the beautiful trails they have to offer. We did have to “share” a couple of trails with bees and we all know how the don’t like to “share”. Their objections were felt by a few riders and horses.

Many thanks to DCR’s Otter River supervisor Brad Gallant for finding us an area to park for this ride. Our usual field we park in is at the other end of the complex and under the Army Corps of Engineers jurisdiction. They are not allowing any organized events this year due to Covid-19.

For those that pre-registered, a lovely gourmet lunch was awaiting them when they came back in from their ride.

This was our lunch for the day.
Roast Beef Sandwiches: Made with cheese, lettuce and tomato. Please add your own mayonnaise or mustard.
Buffalo Chicken Salad Sandwiches: Very mild on the buffalo sauce. This has apples, pineapple, grapes, carrots, red bell peppers, and celery mixed with the chicken.
Broccoli, Apple, Blueberry Salad: This delicious salad had no mayonnaise in the dressing. The dressing is made with Greek yogurt, honey, apple cider vinegar and poppy seeds. This salad does have sunflower seeds in it.
Sea Foam Jello Salad: The taste is better than the name. This is made with pureed pears, cream cheese, whipped topping and lime jello.
Cucumber Mango Soup with Mint: For our vegetarians this soup is a super great tasting summer cold soup.
Mini Key Lime and Coconut Pies: Savor the flavor of Key Lime Pie with these individual pie-size treats.
Coffee Lover’s Mini Cheesecakes: The name says it all!
Brownies: A double chocolate treat with walnuts.

As usual some of these were new recipes and the riders got to be the taste testers!

My other half, Harry, spent quite a bit of time helping me put together all the sandwiches. He is such a sweetheart!

I had two people volunteer to help me on the day of the ride. Janeen Rose and her friend Suzie Fancher. I was so very grateful for their help. They were totally competent and fun to be with.

With riders going out and coming back right next to Lake Dennison which is a high use area, I knew we should clean up any manure that was deposited in that area. To that end I did bring along the tools to get the job done.

Kudos to Janeen. She went out and cleaned up the area after all the riders left and then again

(Continued on page 3)

after everyone was back to their trailers.

To all those that attended. I want to thank you from the bottom of my heart for being RESPECTFUL. This includes following all the new Covid-19 protocols in place for the ride and for making sure you cleaned up all your hay and manure from where you parked.

This is the only way we can hold our rides this year. If these rules and clean up are not followed, we wouldn’t be allowed to hold anymore events on DCR property. So thank you all for being responsible trail riders and horse owners. If we are good, we get to play!

So, on to the subject of food. After so many of these rides, I get asked for the recipes. So I am going to include the recipe for one of the salads.

**Broccoli, Apple & Blueberry Salad**

**Ingredients:**
- 1 1/2 lbs fresh broccoli, cut into florets
- 1 cup fresh blueberries
- 1/4 cup finely chopped red onion
- 1/2 cup dried cranberries
- 1/4 cup sunflower seeds
- 1 apple, cut into pieces
- 1 tbs lemon juice

**For the Yogurt Dressing:**
- 1 cup Greek Yogurt
- 1/4 cup honey
- 1 tbs lemon juice
- 2 tsp apple cider vinegar
- 1 tbs poppy seeds

**Directions:**
In a large bowl, place the broccoli, blueberries, red onion, cranberries and sunflower seeds. (note, I did not add onion to the one I made for the ride)

In a small bowl, mix the apple with 1 tbs lemon juice then you can add it to the large bowl with the rest of the salad.

In another small bowl, whisk together all the ingredients for the yogurt dressing.

Pour the dressing over the salad mix. Serves 8

Here is a question for all of you.

Would you be interested in a BSTRA Ride Cookbook that had recipes for food that we have made up for our rides?? If you are let me know at bstra@charter.net or 508-476-3960. Thanks Becky

---

**Latest Update on Rides**

As of right now our rides have to be limited to 50 people. That includes riders and volunteers. Example: the Fall Hunter Pace will have 8 volunteers the day of the event. So that means we can only allow 42 riders for the event.

If this gets changed before any of the rides are set to go off, we will let you now. But for now, this is what we have to plan for.

For this year our ride at Northfield Mt, Northfield MA is cancelled. We have rescheduled the Goddard Brunch ride to that weekend and hope that will go off. It’s only our third reschedule!

First off, we have to thank Joan Sisley and Sharron Cochran for their 4.5 hours out on the trail filling in the markers and doing some trail clean up. Joan’s comment: “I have never gotten off and on my horse so many times” And I think Sharron’s was “I can’t walk”.

Matt Domnarski put in his share of work out there too. He put up quite a few ribbon markers. And we had a surprise “obstacle” for us this year. Seems a trail had to be re-routed. This new trail followed a really interesting ledge on our right. The “edge” of this ledge extended into the area where the trail had to pass. I guess we were lucky that Matt found the Split Rock Pass.

It was a job well done by everyone. The highest praise being (from those that have no sense of direction) “we didn’t get lost!”

Being prepared for a trail ride was none other than Bill Knott. With his handy utility tool he was able to help a rider whose horse had partially pulled his shoe off. It was bent enough that it needed to come off to get back to the trailer safely.

The owner was trying to get it off without the tools she needed. Bill Knott came to the rescue. Bill got the shoe off while his better half, Angie held his horse. Seems that is not an easy thing to do as Townie really likes to rub his face on anything he can reach!

After our scenic challenge trail ride we all settled in to enjoy our lunch. We had our choice of individually wrapped subs and chips. For dessert we had homemade blueberry bread (curtesy of Joan Sisley with her own blueberries!) and homemade chocolate cupcakes (curtesy of Harry Kalagher, I really do have a great husband!).

While we were having our lunch we had our questions answered by Daryl Ann from Yucc’ It Up, who was also our ride sponsor.

Daryl Ann mentioned a tincture made with Yucca Schidigera that could help people, dogs & cats. I asked a few questions its use for cats. My cat is 11 years old now and I was just recently thinking about giving her something to help her out as she is aging.

So, I will be following up with her on that. Anyone interested in checking out her all natural supplements please visit the website at https://yuccitup.com

If you have any questions about anything, please don’t hesitate to e-mail Daryl Ann at admin@yuccitup.com. Send her your name and phone number and she will get back to you. From personal experience I can tell you that she is a wealth of knowledge.

Every attendee got to take home a nice little goody bag that had a couple samples of the horse health cookies they make along with some literature about their products.

Matt joined us for lunch and it was nice to get caught up with him and the “hound dog”. We are so grateful that he does let us use his place to have this wonderful ride out of and enjoy the trails in Ware & Palmer.

Until next year. BK
