### Trail Work Day on BSTR A Property

A big thank you to Phil Rutledge for organizing the work day on August 3rd. Given the hot and humid weather, we kept our efforts to just a few hours in the morning, focusing on moving gravel.

Our main task was to start building the ramps for the newly installed bridges. This involved hauling gravel to both ends of the bridges and dumping it to create a safe approach and exit. To ensure the gravel stayed in place, we lined the sides with rocks, creating a mini stonewall effect.

We successfully completed the ramps for the 20-foot bridge, which might need a slight touch-up after settling, but it's 99% done. We also made significant progress on the 16-foot bridge and will continue working on it in the coming month.

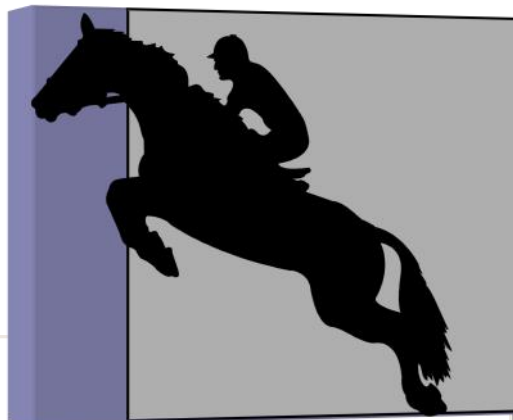

A huge thanks to the following who put a back breaking morning's work. Ann Degnan, Frank Whitney, MaryEllen Coyne, Neil & Shirley Standring, Jane &

Phil Rutledge, Valerie Clark, Barbara McCumber, Ed Nobrega, Sue & Steve Sanders, Becky

Kalagher, and Rita Ballou. All totaled we put in 27.57 hours worth \$1,080.47. **BK**

### Trail Work Day Upton MA - Mechanic Street

Working towards the woods

On Aug. 12th I attended the work day scheduled by the Sudbury Valley Trustees lead by Dan Stimson.

We had a turn out of eight people working on the loop that will connect to the trail that we had already been working on. We headed into the woods at 2pm and was back in the parking lot at 4:30.

Splitting into two groups, one working on the trail and the other working

Cleared out to the powerlines

on opening up the trail from the powerlines into the woods.

I was on the group of three that worked on opening up the trail from the powerlines into the woods. I never knew cutting through juniper would be such a chore and a nice little hiding place for a small bees nest! That section took most of our time with a bit left over the get on the other section where we worked on trimming the higher branches for horseback riders. **BK**

### **Galloping Gourmet Ride sponsored by Bill & Angie Knott**

A touch of fall, warm, but not humid weather, provided a perfect day for the Galloping Gourmet Ride on August 25<sup>th</sup> at Birch Hill Dam. Fifty-six riders turned out! The field was full of trailers!

A permanently marked 10-mile loop traverses Department of Conservation and Recreation and Army Corps of Engineers properties in Winchendon and Royalston. Riders were also offered a shorter loop.

The route passed over carriage roads, through magical forest and wetland trails. The footing was fabulous, and, thankfully, there were few bugs. In the wet areas some leaves have already started to turn, a harbinger of fall.

While this annual ride is one of my favorites for the fantastic trails, the food makes it spectacular. Returning riders were provided an array of gourmet offerings including Chicken Salad with Blue Cheese and Grapes, Buffalo Chicken Wraps, Pineapple Chicken Salad, Turkey with Gouda and Apples, and the Best Cucumber Sandwich, with Peanut Pesto. The menu included broccoli salad, a sweet potato and cabbage slaw, and a watermelon-feta orzo salad.

Of course there was dessert- oatmeal cream pies, blueberry bars, and dark chocolate raspberry cream filled cookies. It was hard to choose because they were all scrumptious. Perfect ending for a perfect day.

Big thanks go to ride sponsors by Bill and Angie Knott and volunteers, Joyce Sandvik, Suzanne Nicholas, Sharron Cochran and Becky Kalagher for making this event a success. *Annamaria Paul*

### Mendon Trail Project - Hay Field Trails

Work started on this project on Aug. 12th by CJM Construction Inc. and is now close to done. The on the ground clearing of establishing a trail around the perimeter of the hay fields and through a couple of very over grown fields.

Next step will be working with the Mendon Land Use Committee to figure out signage to keep people on the trail and not going through the hay fields.

This project is going to add a bit over a mile of new trails at Inman Hill Wildlife Conservation Area. The next newsletter will have more pictures and an aerial map! **BK**
